Independent Auditor's Report

Board of Finance
Town of East Haven, Connecticut

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of East Haven, Connecticut, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of East Haven, Connecticut, as of June 30, 2015, and the respective changes in financial position, and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, pension and the other post-employment benefit schedules on pages 5 to 12 and pages 62 to 68, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of East Haven, Connecticut's basic financial statements. The introductory section, supplemental schedules and trend data section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplemental schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

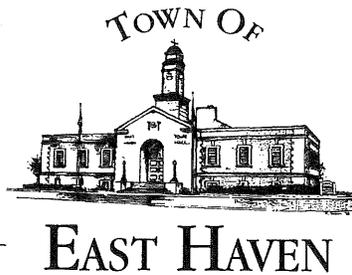

The introductory and trend data sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 29, 2015, on our consideration of the Town of East Haven, Connecticut's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of East Haven, Connecticut's internal control over financial reporting and compliance.

A handwritten signature in cursive script that reads "Cohn Reznick LLP".

Hartford, Connecticut

**Management's Discussion and Analysis
Year Ended June 30, 2015**

As management of the Town of East Haven, Connecticut we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town for the fiscal year ended June 30, 2015.

Financial Highlights

- During the fiscal year, the Town implemented GASB 68 related to pensions. GASB 68 required that the net pension liability be recorded on the government-wide financial statements. The result of implementing GASB 68 was a prior period adjustment as of July 1, 2014 to record the net pension liability and related deferred outflows of resources of \$8,183,906. The current year pension expense was \$1,930,982 and the net pension liability at June 30, 2015 was \$7,003,601.
- On a government-wide basis, the Town's net position increased by \$1,185,922 for the fiscal year. Positive operations of the general fund of \$1,298,862, self-insurance fund \$727,237 and workers' compensation fund \$1,160,152 were offset by decreases in the capital projects fund of \$2,128,561 and an increase in the other post-employment liability of \$3,070,625.
- The Town's net position totaled \$23,276,962 at June 30, 2015. Of this amount, unrestricted net position was a deficit balance of \$(33,359,584). This deficit was increased during the year by the increase in the other post-employment benefit liability.
- At year end, the unassigned fund balance for the general fund was \$3,850,838, an increase of \$1,298,862 from the prior year. The unassigned fund balance represents 4.30% of total budgetary expenditures and transfers out.
- The Town's total long-term debt decreased by \$6,610,000. The decrease was due to the refunding bond of \$6,890,000 issued during the year and scheduled debt payments.

Overview of the Basic Financial Statements

This discussion and analysis is intended to serve as an introduction to the Town of East Haven's basic financial statements. The Town of East Haven, Connecticut's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of the Town of East Haven, Connecticut's finances, in a manner similar to a private-sector business.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

The *statement of net position* presents information on all of the Town's assets, deferred outflows, liabilities and deferred inflows, with the difference between these accounts being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The *statement of activities* presents information showing how the Town's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

The government-wide financial statements present only governmental activities whose functions are principally supported by taxes and intergovernmental revenues. The governmental activities of the Town include general government, public safety, public works, culture and recreation, health and welfare and education.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Town can be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a Town's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Town's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

For governmental funds, information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures and changes in fund balances for the general fund and capital projects fund, which are considered to be major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is presented in Schedules 4 and 5 of this report.

The Town adopts an annual budget for its general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

Proprietary funds. The Town maintains one type of proprietary fund. Internal service funds are an accounting device used to accumulate and allocate costs internally among the Town's various functions.

The Town uses internal service funds to account for its self-insured workers' compensation, medical benefits and other claims. These activities have been included within governmental activities in the government-wide financial statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the Town. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the Town's pension plans as required by GASB statements 67 and 68 as well as the Town's other post-employment benefit plans as required by GASB statements 43 and 45. Required supplementary information can be found following the notes.

The combining statements and supplemental schedules referred to earlier in connection with nonmajor governmental funds are presented immediately following the notes to financial statements.

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a Town's financial position. In the case of the Town, assets exceeded liabilities by \$23,276,962 at the close of the fiscal year (after the restatement for the net pension liability).

	<u>Summary Statement of Net Position</u>	
	<u>2015</u>	<u>2014</u> <u>(as restated)</u>
Current and other assets	\$ 27,400,800	\$ 27,442,855
Capital assets (net)	<u>87,669,601</u>	<u>89,952,149</u>
Total assets	<u>115,070,401</u>	<u>117,395,004</u>
Deferred outflows of resources	<u>2,567,016</u>	<u>2,769,432</u>
Current liabilities	20,044,357	21,023,130
Long-term liabilities	<u>70,067,593</u>	<u>76,624,662</u>
Total liabilities	<u>90,111,950</u>	<u>97,647,792</u>
Deferred inflows of resources	<u>4,248,505</u>	<u>425,604</u>
Net investment in capital assets	54,538,832	52,762,397
Restricted	2,097,714	1,947,111
Unrestricted	<u>(33,359,584)</u>	<u>(32,618,468)</u>
Total net position	<u>\$ 23,276,962</u>	<u>\$ 22,091,040</u>

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

The largest portion of the Town's net position reflects its investment in capital assets (e.g., land, construction in progress, land improvements, buildings, building improvements, machinery and equipment, vehicles and infrastructure), less any related debt used to acquire those assets that is still outstanding. The Town uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the Town's net position represents resources that are subject to external restrictions on how they may be used of \$2,097,714. The remaining balance of unrestricted net position is a deficit balance in the amount of \$(33,359,584)

Governmental activities. Already noted was the statement of activities' purpose in presenting information in how the Town's net position changed during the most recent fiscal year. The Town's net position increased by \$1,185,922 for the fiscal year. This was generated by positive operations of the general fund of \$1,298,862, self-insurance fund \$727,237 and workers' compensation fund \$1,160,152 and offset by decreases in the capital projects fund as well as increases in the other post-employment liability of \$3,070,625.

Statement of Changes in Net Position

	2015	2014
Revenues:		
Program revenues:		
Charges for services	\$ 3,611,723	\$ 4,501,763
Operating grants and contributions	29,716,676	30,942,764
Capital grants and contributions	331,519	639,485
General revenues:		
Property taxes	64,585,031	62,223,623
Grants and contributions not restricted to specific programs	1,039,493	990,995
Investment income (loss)	147,232	313,667
Miscellaneous	129,870	186,932
	99,561,544	99,799,229
Total revenues		

	Statement of Changes in Net Position	
	2015	2014
Expenses:		
General government	\$ 4,487,048	\$ 4,569,185
Public safety	19,419,729	20,060,343
Public works	8,361,845	8,836,442
Culture and recreation	2,531,765	2,419,910
Health and welfare	1,302,182	1,662,460
Education	60,805,829	62,587,934
Interest expense	1,467,224	1,752,349
Total expenses	<u>98,375,622</u>	<u>101,888,623</u>
Change in net position	1,185,922	(2,089,394)
Net Position - July 1 (as restated)	22,091,040	32,364,340
Restatement for net pension liability	<u>-</u>	<u>(8,183,906)</u>
Net Position - June 30	<u>\$ 23,276,962</u>	<u>\$ 22,091,040</u>

Governmental Activities - Revenues

The significant changes in revenues for governmental activities for the fiscal year ended June 30, 2015 were as follows:

- Operating grants and contributions decreased by \$1,220,088 due to decreases in the LOCIP, Town Aid Road, Maple Street Bridge grants, High Quality Schools and Excess Cost grants. There was also a decrease in the on-behalf payments for teacher pensions. These decreases were offset by increases in the ECS Alliance and Medicaid grants.
- Charges for services for Education decreased by \$1,220,576 as a result of a decrease in the number of towns participating in the Pathways program.

Governmental Activities - Expenses

The significant changes in expenses for governmental activities for the fiscal year ended June 30, 2015 were as follows:

- Public safety expense decreased by \$640,614 due to changes in the estimates for legal claims.
- Education expense decreased by \$1,782,105 due to a lower on-behalf amount for teacher pensions, a decrease in rent expense for the Pathways program as well as a decrease in the pension liability. The increases were offset by an increase in the other post-employment benefit liability and related expense.

Financial Analysis of the Town's Funds

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of the Town's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a Town's net resources available for spending at the end of the fiscal year.

The combined fund balances of governmental funds for the fiscal year ended June 30, 2015 is \$5,055,953. This amount is comprised of the following components: (1) nonspendable reserve for endowments in the amount of \$100,000, (2) restricted amounts totaling \$1,997,714, (3) committed amounts of \$828,300, (4) assigned amounts totaling \$448,144 and (5) unassigned of \$1,681,795.

General Fund

The general fund is the operating fund of the Town. The fund balance of the general fund increased by \$1,298,862 for the fiscal year. This increase is mainly due to the following factors:

- Intergovernmental revenues were less than budgeted by \$1,169,559 mainly due to the ECS Alliance grant being recorded in the Education Grants fund.
- Charges for services was in excess of the amount budgeted by \$417,798 mainly due to police special assignments revenue that was more than budgeted due to additional projects in roads, bridges, etc. during the year as well as performing this work with Town police officers rather than subcontracting the work to other Towns.
- The Town budgeted \$900,000 to increase fund balance.
- Employee benefits were underspent due to lower medical rates than anticipated as well as lower annual amortization charges from the MERS pension plan for Police and Fire employees. Additionally, the budget had included funds to cover any additional retirements that may have resulted from the finalization of contracts. Retirements were less than what was budgeted.
- Debt service was under spent by \$113,386 due to the Town issuing refunding bonds during the year.

Capital Projects Fund

This fund's net change in fund balance was a decrease of \$2,128,561 for the fiscal year, resulting in a deficit fund balance at the end of the year of \$1,900,334. The decrease was a result of expenses related to the public safety command center as well as continued expenses for the police department in meeting its requirements in relation to the Department of Justice settlement that had been funded in the prior year.

Capital Assets and Debt Administration

At June 30, 2015, the Town of East Haven's investment in capital assets was \$87,669,601 (net of accumulated depreciation). This investment in capital assets includes land, construction in progress, land improvements, buildings, building improvements, machinery and equipment, vehicles and infrastructure (roads, sidewalks and bridges).

The significant capital asset activity during the year was the dispatch center, school security, and the purchase of public works vehicles and public safety vehicles and equipment.

These additions were offset by depreciation expense of \$4,098,887, resulting in the net decrease of \$2,282,548.

	Capital Assets - Net	
	2015	2014
Land	\$ 3,497,216	\$ 3,497,216
Construction in progress	2,319,832	5,520,871
Land improvements	2,589,145	2,719,889
Buildings	41,362,720	42,343,526
Building improvements	5,523,078	6,352,506
Machinery and equipment	2,293,147	1,678,952
Vehicles	1,830,426	1,775,344
Infrastructure	28,254,037	26,063,845
Total	\$ 87,669,601	\$ 89,952,149

Additional information on the Town's capital assets can be found in Note III.C.

Long-term Debt

For the year ended June 30, 2015, the Town's long-term debt decreased by \$6,610,000. The decrease is the net effect of the following items:

- Issuance of a refunding bond of \$6,890,000 and the resulting payoff of \$7,720,000 of bonds.
- Scheduled principal payments of \$5,780,000.

At the end of the current fiscal year, the Town had total bonded debt outstanding of \$30,875,000. Of this amount, \$3,449,526 will be funded from state grants, resulting in net outstanding debt in the amount of \$28,925,474, which is backed by the full faith and credit of the Town of East Haven.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

OUTSTANDING LONG-TERM DEBT

	2015	2014
General purpose bonds	\$ 22,204,108	\$ 24,578,234
School bonds	8,310,892	12,186,766
Sewer	360,000	720,000
Bond anticipation notes	<u>1,500,000</u>	-
Total	<u>\$ 32,375,000</u>	<u>\$ 37,485,000</u>

The Town maintains an "A3" rating from Moody's for general obligation debt.

State statutes limit the amount of general obligation debt a governmental entity may issue to 2 ¼ to 4 ½ times total tax collections including interest and lien fees and the tax relief for the elderly freeze grant. The current debt limitation for the Town is \$441,421,169, which is significantly in excess of the Town's outstanding general obligation debt.

Additional information on the Town's long-term debt can be found in Note III.F.

Economic Factors and Next Year's Budgets and Rates

The unemployment rate for the State is currently 5.5%, which is a decrease from a rate of 6.6% a year ago. This is higher than the national average of 5.2%. The Town's unemployment rate at June 30, 2015 was 6.3%.

Town officials considered many factors when setting the fiscal year 2015 budget. The Town decided that it was important to adopt a budget designed to promote long-term fiscal stability. This included an appropriation of \$900,000 to return fund balance to appropriate level. In order to meet the objectives of the budget, the Town recognized the need to continue its pattern of conservative budgeting while at the same time providing excellent services to its residents and taxpayers.

The 2016 general fund budget is \$89,097,555, a decrease of 0.60% over the prior year. The Town continues to focus on restoring the Towns' general fund fund balance to a comfortable level.

Requests for Information

This financial report is designed to familiarize the Town's citizens, taxpayers and customers with the Town's finances and to demonstrate the Town's fiscal accountability for its operation. Questions concerning this report, or request for additional financial information, should be directed to Director of Finance, Town of East Haven, 250 Main Street, East Haven, Connecticut 06512.

TOWN OF EAST HAVEN, CONNECTICUT

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES
IN FUND BALANCES OF GOVERNMENTAL FUNDS TO STATEMENT OF ACTIVITIES
YEAR ENDED JUNE 30, 2015

AMOUNTS REPORTED FOR GOVERNMENTAL ACTIVITIES IN THE STATEMENT OF ACTIVITIES
(EXHIBIT B) ARE DUE TO:

NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS (EXHIBIT D)..... \$ (735,217)

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period:

Capital outlay.....	1,816,339
Depreciation expense.....	<u>(4,098,887)</u>
Total	<u>(2,282,548)</u>

Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds:

School building grant receipts.....	(1,611,130)
Change in property tax receivable - accrual basis change.....	256,166
Change in property tax interest and lien revenue.....	<u>167,561</u>
Total	<u>(1,187,403)</u>

The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities. The details of these differences in the treatment of long-term debt and related items are as follows:

Debt issued or incurred:	
Issuance of refunding bonds.....	(6,890,000)
Premiums.....	(113,716)
Capital lease.....	(268,081)
Deferred charge on refunding.....	(830,000)
Principal repayments:	
General obligation bonds.....	5,780,000
General obligation refunding bonds.....	7,720,000
Capital lease.....	<u>262,000</u>
Total	<u>5,660,203</u>

Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds:

Deferred charge on refunding.....	(65,988)
Premiums.....	23,436
Claims and judgments.....	32,974
Compensated absences.....	79,938
Net OPEB expense.....	(3,070,625)
Pension expense.....	850,516
Accrued interest payable.....	<u>59,125</u>
Total	<u>(2,090,624)</u>

Internal Service Funds are used by management to charge costs of various self-insured risk premiums to individual departments:

The net revenue of the activities of the Internal Service Fund is reported with governmental activities..... 1,821,511

TOWN OF EAST HAVEN, CONNECTICUT**NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2015****HISTORY AND ORGANIZATION**

The Town of East Haven, Connecticut (the "Town") was incorporated in May 1785. The Town covers 89 square miles and is located 77 miles east of New York City. The Town operates under a Mayor-Council form of government and the Town Charter as amended on November 7, 1978. The Town provides a full range of services as authorized by its charter including public safety (police and fire), public works, sanitation, health and social services, culture and recreation, education, planning, zoning and general administrative services to its residents.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**A. Government-Wide and Fund Financial Statements**

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the Town. *Governmental activities* are normally supported by taxes and intergovernmental revenues.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the fiduciary fund financial statements. Agency funds do not have a measurement focus but are reported on the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation (Continued)

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds.

Property taxes, reimbursement type grants, certain intergovernmental revenues, transfers and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. For this purpose, the Town considers property taxes to be available if collected within 60 days of the current fiscal year end and reimbursement grants to be available if they are collected within one year of the end of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the Town.

The Town reports the following major governmental funds:

The *General Fund* is the Town's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Capital Projects Fund* is used to account for resources to be used for capital expenditures.

Additionally, the Town reports the following fund types:

The *Internal Service Funds* account for risk activities for insurance benefits as allowed by GASB Statement No. 10.

Private-Purpose Trust Funds are used to account for resources legally held in trust for the Shinder, Patsy Dilungo and Jan Stopka Scholarship Funds' scholarships. All resources of the fund, including any earnings on invested resources, may not be used to support the Town's activities. There is no requirement that any portion of these resources be preserved as capital.

The *Agency Funds* account for monies held on behalf of students and employees and amounts held for performance related activities.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this rule are payments and other charges between certain Town functions. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation (Continued)

Amounts reported as *program revenues* include 1) charges to customers or applicants for goods, services or privileges provided, 2) operating grants and contributions and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Town's internal service fund are charges to Town funds for medical insurance benefits, workers' compensation claims, judgments and claims and property insurance deductibles. Operating expenses for the internal service fund include the claims and administrative expenses. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Pensions - For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position and additions to/deductions from fiduciary net position of the Connecticut Municipal Employees Retirement System (MERS) and the Connecticut State Teachers' Retirement System (TRS) have been determined on the same basis as they are reported by MERS and TRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with benefit terms.

C. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position or Equity

1. Deposits and Investments

Deposits - The Town considers cash and cash equivalents as cash on hand, demand deposits, money market accounts and short-term investments with original maturities of three months or less from the date of acquisition.

Investments - Eligible investments are governed by State of Connecticut Statutes which, in general, allow the Town to invest in obligations of the United States of America or United States government sponsored corporations, in shares or other interests in any custodial arrangement, pool or no-load, open-end management type investment company or investment trust (as defined), in obligations of any State or political subdivision rated within the top two rating categories of any nationally recognized rating service, or in obligations of the State of Connecticut or political subdivision rated within the top three rating categories of any nationally recognized rating service. For the capital nonrecurring fund, not more than 31% can be invested in equity securities. Investment income is recorded in the fund in which it was earned.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position or Equity (Continued)

1. Deposits and Investments (Continued)

Investments for the Town are reported at fair value. State Treasurers Investment Fund is an investment pool managed by the State of Connecticut Office of the State Treasurer. Investments must be made in instruments authorized by Connecticut General Statutes 3-27a - 3-27c. Investment guidelines are adopted by the State Treasurer. The fair value of the position in the pool is the same as the value of the pool shares. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Real estate assets are reported at fair value utilizing an income approach to valuation. By contract, an independent appraisal is obtained once every year to determine the fair market value of the real estate assets.

2. Receivables and Payables

a. Interfunds

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans).

b. Property Taxes and Other Receivables

In the government-wide financial statements, property tax and related interest and lien fee receivables are shown net of an allowance for uncollectibles. Allowance percentages range from 18 to 56% of outstanding receivable balances and are calculated based upon prior collection history.

In the fund financial statements, all property taxes receivable, which have not been collected within 60 days as of June 30, have been recorded as deferred inflow of resources, since they are not considered to be available to finance expenditures of the current fiscal year. Taxes collected during the 60-day period have been recorded as revenue.

Property taxes are assessed on property as of October 1. Taxes are billed in the following July and are due in two installments, July 1 and the following January 1. Liens are effective on the assessment date and are continued by filing before the end of the fiscal year following the due date.

3. Restricted Assets

The restricted assets for the Town are restricted for endowment purposes. The Town has several bequests that restrict expenditures to investment income and only for the donor-designated purpose.

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position or Equity (Continued)

4. Capital Assets

Capital assets, which include property, plant, equipment and infrastructure assets, are reported in the applicable governmental columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$7,150 and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant, and equipment of the Town are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	10-75
Building improvements	50
Land improvements	25
Roads	80
Bridges	50
Vehicles	10-20
Equipment	5-40

5. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Town reports deferred outflows of resources related to pensions for contributions made by the Town after the measurement date. This deferred outflow will be recognized in the following year.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position or Equity (Continued)

5. Deferred Outflows/Inflows of Resources (Continued)

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. Advanced property tax collections qualifies for reporting in this category. The Town also reports a deferred change on refunding, which results in the difference in the carrying value of refinanced debt and its reacquisition price. A deferred inflow related to pensions is reported for the net difference between projected and actual earnings on pension plan investments. This deferred inflow will be amortized over a five year period.

For governmental funds, the Town reports unavailable revenue, which arises only under the modified accrual basis of accounting. Accordingly, unavailable revenue is reported only in the governmental funds' balance sheet. The governmental funds report unavailable revenues from property taxes (including advance collections, if any). These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

6 Net Position Flow Assumption

Sometimes the Town will fund outlays for a particular purpose from both restricted (e.g. restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted - net position and unrestricted - net position in the government-wide financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted - net position to have been depleted before unrestricted - net position is applied.

7. Compensated Absences

Employees are paid by a prescribed formula for absence due to vacation and sickness based upon the various union contracts and the Town's personnel policies. The eligibility for vacation pay, and in some instances sick pay, does vest and can be paid upon death, retirement or termination, up to certain limits. Expenses to be paid in future periods are accrued when incurred in the government-wide financial statements. A liability for these amounts are only reported in governmental funds if they are due and payable to employees who have resigned or retired before or at fiscal year end.

8. Long-Term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenses.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position or Equity (Continued)

8. Long-Term Obligations (Continued)

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

9 Fund Equity and Net Position

In the government-wide financial statements, net position is classified into the following categories:

Net Investment in Capital Assets

This category presents the net position that reflect capital assets net of only the debt applicable to the acquisition or construction of these assets. Debt issued for non-capital purposes and unspent bond proceeds are excluded.

Restricted Net Position

This category presents the net position restricted by external parties (creditors, grantors, contributors or laws and regulations).

Unrestricted Net Position

This category presents the net position of the Town, which is not restricted.

In the fund financial statements, fund balances are classified into the following categories:

Nonspendable

This category presents amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted

This category presents amounts that can be spent only for specific purposes because of enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors or the laws or regulations of other governments.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position or Equity (Continued)

9. Fund Equity and Net Position (Continued)

Committed

This category presents amounts that can be used only for specific purposes determined by a formal action of the highest level of decision-making authority for the Town. Commitments may be established, modified or rescinded only through resolutions approved by Town Council.

Assigned

This category presents amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. Intent is expressed by an action by the Town Council or by a properly approved purchase order.

Unassigned

This category presents amounts that do not meet the criteria above and are available for any purpose. This category is only reported in the general fund for positive amounts and in any other fund that has a fund balance deficit.

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available, the Town considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Town considers amounts to have been spent first out of committed funds, then assigned funds and finally unassigned funds, as needed, unless Town Council has provided otherwise in its commitment or assignment actions.

10. Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities including disclosures of contingent assets and liabilities and reported revenues, expenses and expenditures during the fiscal year. Accordingly, actual results could differ from those estimates.

11. Reclassifications

Certain amounts presented in the prior year data have been reclassified in order to be consistent with the current year's presentation.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. Budgets and Budgetary Accounting

The Town adheres to the following procedures in establishing the budgetary data included in the General Fund financial statements.

- Prior to March 4, the Mayor submits to the Board of Finance a proposed operating budget for the year commencing the following July 1. The Board of Finance returns the budget to the Mayor with its recommendations by March 23. On or before March 31, the Mayor submits the budget to the Town Council, which calls a public hearing. By April 28, the Town Council votes to adopt the budget. The budget is adopted on a basis consistent with generally accepted accounting principles.
- The Director of Finance may make transfers within a department of amounts not to exceed \$2,500 in any one account in any one year. The Board of Finance is authorized to transfer budgeted amounts within and between departments for amounts up to \$25,000. The Town Council, upon recommendation of the Board of Finance, approves transfers in excess of \$25,000 but not to exceed \$50,000. Transfers in excess of \$50,000 may be authorized only by ordinance. Additional appropriations may be made by ordinance of the Town Council. There were no additional appropriations during the year.
- Formal budgetary integration is employed as a management control device during the year.
- The legal level of control (the level at which expenditures may not legally exceed appropriations) is at the department level.
- Budgeted amounts shown are as originally adopted, or as amended by the Town Council during the course of the year.
- The Board of Education is authorized under State law to make any transfers required within their budget at their discretion. Any additional appropriations must have Board of Education and Town Council approval.

Encumbrances are recognized as a valid and proper charge against a budget appropriation in the year in which the purchase order, contract or other commitment is issued and, accordingly, encumbrances outstanding at year end are reported in budgetary reports (Exhibit F) as expenditures in the current year. Generally, all unencumbered appropriations lapse at year end, except those for the Capital Projects Funds. Appropriations for capital projects are continued until completion of applicable projects, even when projects extend more than one fiscal year.

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY (Continued)

B. Budget - GAAP Reconciliation

A reconciliation of revenues and expenditures between the accounting treatment required by GAAP (Exhibit D) and budgetary requirements (Exhibit F) is as follows:

	<u>REVENUES</u>	<u>EXPENDITURES</u>
BALANCE, BUDGETARY BASIS, EXHIBIT F - JUNE 30, 2015	\$ 88,662,010	\$ 87,424,438
State Teachers' Retirement on-behalf amount.....	<u>4,037,351</u>	<u>4,037,351</u>
BALANCE, GAAP BASIS, EXHIBIT D - JUNE 30, 2015	<u>\$ 92,699,361</u>	<u>\$ 91,461,789</u>

C. Donor-Restricted Endowments

The Town has received certain endowments for the Hagaman Memorial Library. The amounts are reflected in net position as restricted for endowments. Investment income (including appreciation) is approved for expenditure by the Library Board. At June 30, 2015, the amount of appreciation (depreciation) included in restricted fund balance for the Hagaman Memorial Library was \$96,301.

D. Deficit Fund Balances/Net Position

The following funds had deficit fund balances/net position at June 30, 2015:

Daycare	\$ 39,314
School lunch.....	229,395
Self-insurance reserve	6,335,608
Workers' compensation.....	9,191,823

The deficits will be eliminated by future grants, charges for services, premium charges to other funds and transfers from the general fund.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

III. DETAILED NOTES

A. Cash and Investments

Deposits - Custodial Credit Risk - Custodial credit risk is the risk that, in the event of a bank failure, the Town's deposits may not be returned to it. The Town does not have a deposit policy for custodial credit risk. As of June 30, 2015, \$11,339,381 of the Town's bank balance of \$12,607,999 including certificates of deposits and money market accounts, was exposed to custodial credit risk as follows:

Uninsured and uncollateralized	\$ 10,128,492
Uninsured and collateral held by the pledging bank's trust department, not in the Town's name	<u>1,210,889</u>
Total amount subject to custodial credit risk.....	<u>\$ 11,339,381</u>

Financial instruments that potentially subject the Town to significant concentrations of credit risk consist primarily of cash. From time to time, the Town's cash account balances exceed the Federal Deposit Insurance Corporation limit. The Town reduces its credit risk by maintaining its cash deposits with major financial institutions and monitoring their credit ratings.

At June 30, 2015, the Town's investments (including restricted investments) consisted of the following:

TYPE OF INVESTMENT	FAIR VALUE	INVESTMENT MATURITIES (IN YEARS)		
		N/A	LESS THAN 1	1-5 YEARS
Mutual funds/exchange traded funds:				
Money market	\$ 25,232	\$	\$ 25,232	\$
Equity	538,077	538,077		
International equity	269,197	269,197		
Bond	136,511			136,511
International bond	12,043			12,043
Real estate investment trust	71,329	71,329		
Hedge fund	158,997	158,997		
Commodities	51,858	51,858		
Certificates of deposit	336,915		319,202	17,713
Bank money market funds	2,841,437		2,841,437	
Equities	1,029	1,029		
Pooled fixed income	<u>5,801,160</u>		<u>5,801,160</u>	
TOTAL	<u>\$ 10,243,785</u>	<u>\$ 1,090,487</u>	<u>\$ 8,987,031</u>	<u>\$ 166,267</u>

The of pooled fixed income investment was invested in Short Term Investment Fund ("STIF"). STIF is an investment pool managed by the State of Connecticut Office of the State Treasurer.

Interest rate risk - The Town does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit risk - The Town has no investment policy that would limit its investment choices due to credit risk other than State Statutes governing investments in obligations of any State or political subdivision or in obligations of the State of Connecticut or political subdivision.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

III. **DETAILED NOTES (CONTINUED)**

A. **Cash and Investments (Continued)**

The Town's investments subject to credit risk have average ratings by Standard & Poor's as follows:

AVERAGE RATING	MONEY MARKET MUTUAL FUNDS	BOND MUTUAL FUNDS	INTERNATIONAL BOND MUTUAL FUNDS	POOLED FIXED INCOME
AAA.....	\$ 25,232	\$	\$	\$ 5,801,160
AA.....		136,511	602	
BBB.....			963	
BB.....			5,781	
B.....			3,854	
CCC.....			843	
TOTAL.....	<u>\$ 25,232</u>	<u>\$ 136,511</u>	<u>\$ 12,043</u>	<u>\$ 5,801,160</u>

Custodial credit risk - The Town has no formal policy regarding custodial credit risk. Custodial credit risk is the risk that, in the event of the failure of the counterparty, the Town will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. There were no investments subject to custodial credit risk at June 30, 2015.

The investments are covered by the Securities Investor Protection Corporation ("SIPC") up to \$500,000, including \$250,000 of cash from sale or for purchase of investments, but not cash held solely for the purpose of earning interest. SIPC protects securities such as notes, stocks, bonds, debentures, certificates of deposit and money funds.

B. **Receivables**

Receivable balances have been disaggregated by type and presented separately in the financial statements. Only receivables for the Town's government-wide financial statements with allowances for uncollectible accounts as of June 30, 2015, including the applicable allowances for uncollectible accounts, are presented below:

	Taxes	Property Taxes Interest & Lien fees	Total
Current Portion.....	<u>\$ 1,233,768</u>	<u>\$ 332,152</u>	<u>\$ 1,565,920</u>
Long-term Portion.....	<u>\$ 2,019,839</u>	<u>\$ 1,458,687</u>	<u>\$ 3,478,526</u>
Less Allowance for Uncollectibles ...	<u>(585,000)</u>	<u>(1,000,000)</u>	<u>(1,585,000)</u>
Net Long-term Portion.....	<u>\$ 1,434,839</u>	<u>\$ 458,687</u>	<u>\$ 1,893,526</u>
Total Receivable.....	<u>\$ 2,668,607</u>	<u>\$ 790,839</u>	<u>\$ 3,459,446</u>

LOCIP	Land Acquisition		<u>7,766</u>
TOTAL CAPITAL PROJECT FUNDS		<u>7,766</u>	<u>76,966</u>
TOTAL NON MAJOR FUNDS.....		<u>74,885</u>	<u>127,297</u>
GRAND TOTAL.....		<u>\$ 136,175</u>	<u>\$ 136,175</u>

Transfers are used to account for the financing by the general fund for various programs and activities in other funds.

E. Short-Term Obligations - Bond Anticipation Notes

The Town uses bond anticipation notes during the construction period of various public projects prior to the issuance of the bonds at the completion of the project.

Short-term obligation activity for the fiscal year ended June 30, 2015 was as follows:

	<u>BALANCE JULY 1, 2014</u>	<u>ADDITIONS</u>	<u>BALANCE JUNE 30, 2015</u>
BOND ANTICIPATION NOTES:			
Department of Justice compliance	\$ -	\$ 500,000	\$ 500,000
Public Safety Communications Center		<u>1,000,000</u>	<u>1,000,000</u>
	<u>\$ -</u>	<u>\$ 1,500,000</u>	<u>\$ 1,500,000</u>

In September 2015, the Town issued \$2,500,000 of general obligation bond anticipation notes for the purpose of Department of Justice compliance and capital projects. The notes mature in September 2016 and carry an interest rate of 2.0%.

III. DETAILED NOTES (CONTINUED)

F. Changes in Long-Term Obligations (Continued)

1. Summary of Changes (Continued)

The following is a summary of amounts to be provided by the State of Connecticut for the retirement of school bonds and bond and note maturities:

FISCAL YEAR ENDED JUNE 30,	AMOUNT TO BE PROVIDED BY STATE OF CT		BONDS	
	PRINCIPAL	INTEREST	PRINCIPAL	INTEREST
2016	\$1,430,129	\$ 117,053	\$ 4,530,000	\$ 1,269,130
2017	1,050,384	63,363	3,275,000	1,111,388
2018	629,385	28,219	2,285,000	1,002,463
2019	339,628	7,258	2,310,000	904,737
2020			2,335,000	801,644
2021			2,365,000	695,663
2022			2,400,000	587,382
2023			2,030,000	486,326
2024			2,070,000	390,582
2025			2,110,000	292,258
2026			1,250,000	213,807
2027			1,215,000	156,807
2028			1,165,000	101,299
2029			1,020,000	49,566
2030			290,000	18,038
2031			225,000	5,484
TOTALS	\$3,449,526	\$ 215,893	\$ 30,875,000	\$ 8,086,574

The general purpose bonds and school bonds are liquidated by the general fund. The sewer bonds are liquidated by the debt service fund.

All long-term liabilities listed above after bonds and notes are generally liquidated by the General Fund.

The Town's indebtedness does not exceed the legal debt limitations as required by Connecticut General Statutes as reflected in the following schedule:

CATEGORY	DEBT LIMIT	INDEBTEDNESS	NET BALANCE
General purpose.....	\$ 141,885,376	\$ 23,704,108	\$ 118,181,268
Schools.....	283,770,752	4,861,366	278,909,386

Urban renewal.....	204,945,543		204,945,543
Pension deficit.....	189,180,501		189,180,501

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

III. DETAILED NOTES (CONTINUED)

F. Changes in Long-Term Obligations (Continued)

1. Summary of Changes (Continued)

The total overall statutory debt limit for the Town is equal to seven times annual receipts from taxation, \$441,421,169.

The indebtedness reflected above includes bonds outstanding in addition to the amount of bonds authorized and unissued against which bond anticipation notes are issued and outstanding. School building grants receivable of \$3,449,526 for bond principal is reflected as deductions in the computation of net indebtedness.

2. Capital Lease

The Town/Board of Education has entered into a lease agreement for the purchase of computers. The annual payments for the agreement are provided for by annual general fund appropriations.

The individual computers are below the capitalization threshold and, therefore, are not reported as capital assets.

The lease agreement qualifies as a capital lease for accounting purposes and, therefore, has been recorded at the present value of future minimum lease payments as of the date of inception. The following is a schedule of the minimum lease payments under the lease, and the present value of the future minimum lease payments at June 30, 2015.

YEAR ENDING	
<u>JUNE 30,</u>	
2016	\$ 262,000
2017	262,000
Less amount representing interest	<u>(18,689)</u>
Present value of minimum lease payments	<u>\$ 505,311</u>

3. Authorized/Unissued Bonds

At June 30, 2015, the Town had authorized and unissued bonds as follows:

	<u>AUTHORIZED/ UNISSUED BONDS</u>
General purpose.....	\$ 6,262,993
Schools.....	<u>2,846,000</u>
Total	<u>\$ 9,108,993</u>

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

III. DETAILED NOTES (CONTINUED)

F. Changes in Long-Term Obligations (Continued)

4. Current Year Advance Refunding

In August 2014, the Town issued \$6,890,000 of general obligation refunding bonds with an interest rate of 3.0% to 5.0%. These refunding bonds were issued to advance and defease bonds issued in 2005. The refunding resulted in an economic gain of \$416,735 with a total savings of \$132,597.

5. Prior Years' Advanced Refunding

In prior years, the Town has defeased a bond issue by creating a separate irrevocable trust fund. New debt has been issued and the proceeds have been used to purchase U.S. government securities that were placed in the trust fund. The investments and fixed earnings from the investments are sufficient to fully service the defeased debt until the debt is called or matures. For financial reporting purposes, the debt has been considered defeased and, therefore, removed as a liability from the Town's financial statements. As of June 30, 2015, the amount of defeased debt outstanding but removed from the Town's financial statements amounted to \$8,945,000.

G. Restricted Net Position

The amount of restricted net position, which was restricted by enabling legislation, totaled \$66,212 at June 30, 2015.

TOWN OF EAST HAVEN, CONNECTICUT

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION

A. Risk Management

The Town is exposed to various risks of loss related to public official liability, police liability, Board of Education legal liability, theft or impairment of assets, errors and omissions, injury to employees and natural disasters. The Town purchases commercial insurance for all risks of loss, including blanket and umbrella policies. Settled claims have not exceeded commercial coverage in any of the past three years, and there have not been any significant reductions in insurance coverage from amounts held in prior years.

The Town established internal service funds, the Medical Insurance Fund and the Workers' Compensation Fund, to account for and finance the retained risk of loss for Town Employee medical benefits coverage and workers' compensation claims. A third party administers the plans for which the fund pays a fee.

The Town has purchased a stop loss policy for individual claims exceeding \$100,000 for the medical insurance and \$500,000 for the workers' compensation fund.

In addition, the Town has established an Internal Service Fund to pay judgment and claims and reduce the cost of commercial insurance by raising the deductibles on the policies purchased.

The claims liability reported is based upon the requirements of GASB Statements No. 10 and 30, which require that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is possible that a liability has been incurred at the date of the financial statements and the amount of the possible loss can be reasonably estimated. The amount of claim accrual is based on the ultimate costs of settling the claim, which include past experience data, inflation and other future economic and societal factors and incremental claim adjustment expenses, net of estimated subrogation recoveries.

The claim accrual does not include other allocated or unallocated claims adjustment expenses.

	Claims Payable July 1,	Current Year Claims and Changes in Estimates	Claims Paid	Claims Payable June 30,
Self-Insurance Fund:				
2014	\$ 5,231,000	\$ 1,594,338	\$	\$ 6,825,338
2015	6,825,338	(725,445)	106,826	5,993,067

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

B. Commitments and Litigation

There are various suits and claims pending against the Town. Judgments and claims, which are believed by legal counsel to be likely to result in a judgment or claim against the Town, have been recorded in the self-insurance fund as claims payable.

C. Pension Plans - Municipal Employees Retirement System

1. Plan Description

Municipalities may designate which departments (including elective officers if so specified) are to be covered under the Connecticut Municipal Employees Retirement System (MERS). This designation may be the result of collective bargaining. Only employees covered under the State Teachers' Retirement System may not be included. There are no minimum age or service requirements. Membership is mandatory for all regular full time employees of participating departments except Police and Fire hired after age 60.

The plan has 4 sub plans as follows:

- General employees with social security
- General employees without social security
- Policemen and firemen with social security
- Policemen and firemen without social security

2. Benefit Provisions

The plan provides retirement, disability and death benefits.

General Employees

Employees are eligible to retire at age 55 with 5 years of continuous service, or 15 years of active aggregate service, or 25 years of aggregate service.

Policemen and Firemen

Compulsory retirement age for police and fire members is age 65.

Normal Retirement: For members not covered by social security, the benefit is 2% of average final compensation times years of service.

For members covered by social security, the benefit is 1 ½% of the average final compensation not in excess of the year's breakpoint plus 2% of average final compensation in excess of the year's breakpoint, times years of service.

The maximum benefit is 100% of average final compensation and the minimum benefit is \$1,000 annually. Both the minimum and the maximum include workers' compensation and social security benefits.

If any member covered by social security retires before age 62, the benefit until age 62 is reached or a social security disability award is received, is computed as if the member is not under social security.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

C. Pension Plans - Municipal Employees Retirement System (Continued)

2. Benefit Provisions (Continued)

Early Retirement: Employees are eligible after 5 years of continuous service or 15 years of active aggregate service. The benefit is calculated on the basis of average final compensation and service to date of termination. Deferred to normal retirement age, or an actuarially reduced allowance may begin at the time of separation.

Disability Retirement: Employees are eligible for service-related disability benefits from being permanently or totally disabled from engaging in the service of the municipality provided such disability has arisen out of and in the course of employment with the municipality. Disability due to hypertension or heart disease, in the case of firemen and policemen, is presumed to have been suffered in the line of duty. Disability benefits are calculated based on compensation and service to the date of the disability with a minimum benefit (including workers' compensation benefits) of 50% of compensation at the time of disability.

Employees are eligible for nonservice-related disability benefits with 10 years of service and being permanently or totally disabled from engaging in gainful employment in the service of the municipality. Disability benefits are calculated based on compensation and service to the date of the disability.

3. Contributions

Employer

Participating municipalities make annual contributions consisting of a normal cost contribution, a contribution for the amortization of the net unfunded accrued liability and a prior service amortization payment which covers the liabilities of the system not met by member contributions.

Employees

For employees not covered by social security, each person is required to contribute 5% of compensation.

For employees covered by social security, each person is required to contribute 2 ¼% of compensation up to the social security taxable wage base plus 5% of compensation, if any, in excess of such base.

4. Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2015, the Town reported \$7,003,601 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The Town's proportionate share of the net pension liability was based upon the Town's 2014 actuarial (expected) payroll relative to the payroll of all the participating employers as of that date. At June 30, 2014, the Town's proportional share was 6.26% of one sub plan and 6.40% of another sub plan. This being the first year of implementation, there was no change in the proportional share as compared to the prior year.

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

C. Pension Plans - Municipal Employees Retirement System (Continued)

4. Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (Continued)

Subsequent to the measurement date, there were no changes in benefit terms or any expected changes that will have an impact on the measurement of net pension liability.

For the year ended June 30, 2015, the Town recognized pension expense of \$1,930,982. At June 30, 2015, the Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Description of outflows/inflows	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ -
Changes in assumptions	-	-
Changes in proportional share of employer	-	-
Net difference between projected and actual earnings on pension plan investments		2,896,805
Town contributions subsequent to measurement date	2,567,016	-
Total	\$ 2,567,016	\$ 2,896,805
Net amount of deferred inflow and outflow excluding Town contributions subsequent to measurement date		\$ 2,896,805

The \$2,567,016 amount reported as deferred outflows of resources related to pensions resulting from Town contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2016.

Other amounts reported as deferred outflows (inflows) of resources related to pensions will be recognized in pension expense as follows:

Year Ending June 30,	
2015	\$ 724,201
2016	724,201
2017	724,201
2018	724,202
Total	\$ 2,896,805

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

C. Pension Plans - Municipal Employees Retirement System (Continued)

5. Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of June 30, 2014, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.25%
Salary increases	4.25-11.00%, including inflation
Investment rate of return	8.00%, net of pension plan investment expense, including inflation

Mortality rates were based on the RP-2000 Combined Mortality Table for annuitants and non-annuitants (set forward one year for males and set back one year for females).

The actuarial assumptions used in the June 30, 2014 valuation were based on the results of an actuarial experience study for the period July 1, 2005 – June 30, 2010.

Future cost-of-living adjustments for members who retire on or after January 1, 2002 are 60% of the annual increase in the CPI up to 6%. The minimum annual COLA is 2.5%, the maximum is 6%.

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target asset allocation and best estimates of arithmetic real rates of return for each major class are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Large cap U.S. equities	16.0%	5.8%
Developed non-U.S. equities	14.0%	6.6%
Emerging markets (Non-U.S.)	7.0%	8.3%
Core fixed income	8.0%	1.3%
Inflation linked bond fund	5.0%	1.0%
Emerging market bond	8.0%	3.7%
High yield bonds	14.0%	3.9%
Real estate	7.0%	5.1%
Private equity	10.0%	7.6%
Alternative investments	8.0%	4.1%
Liquidity fund	3.0%	0.4%
Total	100.0%	

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

C. Pension Plans - Municipal Employees Retirement System (Continued)

6. Discount Rate

The discount rate used to measure the total pension liability was 8.00%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

7. Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the Town's proportional share of the net pension liability of the MERS, calculated using the discount rate of 8.00%, as well as what the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (7.00%) or 1-percentage-point higher (9.00%) than the current rate:

	1% Decrease <u>(7.00%)</u>	Current Discount <u>(8.00%)</u>	1% Increase <u>(9.00%)</u>
Town's proportional share of the net pension liability	\$ 18,065,158	\$7,003,601	\$(2,279,268)

8. Plan Fiduciary Net Position

Detailed information about the Connecticut Municipal Employees Retirement System plan's fiduciary net position is available in the separately issued State of Connecticut Comprehensive Annual Financial Report as of and for the year ended June 30, 2014. The audited amounts as presented in the State of Connecticut Comprehensive Annual Financial Report have been adjusted by the Auditors of Public Accounts to be in accordance with the requirements of GASB Statements No. 67 and 68. The adjustment to contribution receivable increased the net position as previously reported from \$2,175,433,000 to \$2,262,724,000. The net pension liability at June 30, 2014 has been calculated using the adjusted amounts.

9. Payable to the Pension Plan

The Town had \$0 of accounts payable to the Connecticut Municipal Employees Retirement System plan outstanding at June 30, 2015. The payable represents the Town's legally required contribution and related withheld employee contributions.

TOWN OF EAST HAVEN, CONNECTICUT
NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

D. Pension Plans - Connecticut State Teachers' Retirement Plan

1. Plan Description

Teachers, principals, superintendents, or supervisors engaged in service of public schools are provided with pensions through the Connecticut State Teachers' Retirement System (TRS) - a cost sharing multiple-employer defined benefit pension plan administered by the Teachers' Retirement Board (TRB). Chapter 167a of the State Statutes grants authority to establish and amend the benefit terms to the TRB. TRS issues a publicly available financial report that can be obtained at www.ct.gov.

2. Benefit Provisions

The plan provides retirement, disability and death benefits. Employees are eligible to retire at age 60 with 20 years of credited service in Connecticut, or 35 years of credited service including at least 25 years of service in Connecticut.

Normal Retirement: Retirement benefits for the employees are calculated as 2% of the average annual salary times the years of credited service (maximum benefit is 75% of average annual salary during the 3 years of highest salary).

Early Retirement: Employees are eligible after 25 years of credited service including 20 years of Connecticut service, or age 55 with 20 years of credited service including 15 years of Connecticut service. Benefit amounts are reduced by 6% per year for the first 5 years preceding normal retirement age and 4% per year for the next 5 years preceding the normal retirement age. Effective July 1, 1999, the reduction for individuals with 30 or more years of service is 3% per year by which retirement precedes normal retirement date.

Disability Retirement: Employees are eligible for service-related disability benefits regardless of length of service. Five years of credited service is required for nonservice-related disability eligibility. Disability benefits are calculated as 2% of average annual salary times credited service to date of disability, but not less than 15% of average annual salary, nor more than 50% of average annual salary. In addition, disability benefits under this plan (without regard to cost-of-living adjustments) plus any initial award of social security benefits and workers' compensation cannot exceed 75% of average annual salary.

3. Contributions

State of Connecticut

Per Connecticut General Statutes Section 10-183z (which reflects Public Act 79-436 as amended), contribution requirements of active employees and the State of Connecticut are amended and certified by the State Teachers' Retirement Board and appropriated by the General Assembly. The contributions are actuarially determined as an amount that, when combined with employee contributions and investment earnings, is expected to finance the costs of the benefits earned by employees during the year, with any additional amount to finance any unfunded accrued liability.

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

D. Pension Plans - Connecticut State Teachers' Retirement Plan (Continued)

3. Contributions (Continued)

Employer (School Districts)

School district employers are not required to make contributions to the plan.

Employees

Effective July 1, 1992, each teacher is required to contribute 6% of their salary for the pension benefit.

4. Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

The Town reports no amounts for its proportionate share of the net pension liability, and related deferred outflows and inflows due to the statutory requirement that the State pay 100% of the required contribution. The amounts recognized by the Town as its proportionate share of the net pension liability, the related state support, and the total portion of the net pension liability that was associated with the Town were as follows:

Town's proportionate share of the net pension liability	\$ -
State's proportionate share of the net pension liability associated with the Town	<u>53,810,829</u>
Total	<u>\$ 53,810,829</u>

The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. At June 30, 2015, the Town has no proportionate share of the net pension liability.

For the year ended June 30, 2015, the Town recognized pension expense and revenue of \$4,037,351 for on-behalf amounts for the benefits provided by the State.

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

D. Pension Plans - Connecticut State Teachers' Retirement Plan (Continued)

5. Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of June 30, 2014, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.00%
Salary increase	3.75-7.00%, including inflation
Investment rate of return	8.50%, net of pension plan investment expense, including inflation

Mortality rates were based on the RP-2000 Combined Mortality Table projected 19 years using scale AA, with a two year setback for males and females for the period after service retirement and for dependent beneficiaries.

The actuarial assumptions used in the June 30, 2014 valuation were based on the results of an actuarial experience study for the period July 1, 2005 - June 30, 2010.

Future cost-of-living increases - For teachers who retired prior to September 1, 1992, pension benefit adjustments are made in accordance with increases in the Consumer Price Index, with a minimum of 3% and a maximum of 5% per annum. For teachers who were members of the Teachers' Retirement System before July 1, 2007, and retire on or after September 1, 1992, pension benefit adjustments are made that are consistent with those provided for social security benefits on January 1 of the year granted, with a maximum of 6% per annum. If the return on assets in the previous year was less than 8.5%, the maximum increase is 1.5%. For teachers who were members of the Teachers' Retirement System after July 1, 2007, pension benefit adjustments are made that are consistent with those provided for social security benefits on January 1 of the year granted, with a maximum of 5% per annum. If the return on assets in the previous year was less than 11.5%, the maximum increase is 3%, and if the return on the assets in the previous year was less than 8.5%, the maximum increase is 1.0%.

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target asset allocation and best estimates of arithmetic real rates of return for each major class are summarized in the following table:

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

D. Pension Plans - Connecticut State Teachers' Retirement Plan (Continued)

5. Actuarial Assumptions (Continued)

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Large cap U.S. equities	21.0%	7.3%
Developed non-U.S. equities	18.0%	7.5%
Emerging markets (non-U.S.)	9.0%	8.6%
Core fixed income	7.0%	1.7%
Inflation linked bond fund	3.0%	1.3%
Emerging market bond	5.0%	4.8%
High yield bonds	5.0%	3.7%
Real estate	7.0%	5.9%
Private equity	11.0%	10.9%
Alternative investments	8.0%	0.7%
Liquidity fund	<u>6.0%</u>	0.4%
Total	<u>100.0%</u>	

6. Discount Rate

The discount rate used to measure the total pension liability was 8.50%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

7. Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The Town's proportionate share of the net pension liability is \$0 and, therefore, the change in the discount rate would only impact the amount recorded by the State of Connecticut.

8. Plan Fiduciary Net Position

Detailed information about the Connecticut State Teachers' Retirement System plan fiduciary net position is available in the separately issued State of Connecticut Comprehensive Annual Financial Report as of and for the year ended June 30, 2014.

IV. OTHER INFORMATION (CONTINUED)**E. Other Post-Employment Benefit Plans****1. Plan Description**

The Town administers two single-employer, post retirement healthcare plans for the Town and the Board of Education. The Town and Board of Education plans provide medical, prescription drug, dental and vision benefits for eligible retirees and their spouses. Certain groups within the Town are also offered life insurance. The plans do not issue stand alone financial reports.

2. Benefit Provisions**a. Benefit Provisions**

The Town plan provides for medical, prescription drug, dental and vision benefits for all eligible Town Dispatcher, Fire, Police, Public Service, Supervisor and Town Hall retirees and their spouses. The Board of Education plan provides for medical, prescription drug, dental and vision benefits for all Board of Education Teacher, Administrator, Mid-Management, Custodian, Nurse, Cafeteria and Secretary retirees and their spouses. Life insurance is offered for certain groups with the Town. Public Service, Supervisor and Town Hall retirees do not have surviving spouse coverage. Benefits and contributions are established by contract and may be amended by union negotiations. Administration costs are financed from investment earnings.

b. Employer Contributions

The Town's contributions are actuarially determined on an annual basis using the projected unit credit method. The Town and Board of Education's total plan contributions were \$2,014,590 and \$2,300,897, respectively.

c. Employee Contributions

There are no employee contributions to the plan. Teachers who no longer work for the Board of Education are allowed by State Statute to participate in the Town's group medical insurance plan until they formally begin receiving benefits from the State Teachers' Retirement plan. These teachers are required to contribute the cost of the insurance to the Town.

TOWN OF EAST HAVEN, CONNECTICUT
 NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

IV. OTHER INFORMATION (CONTINUED)

E. Other Post-Employment Benefit Plans (Continued)

3. Funded Status and Funding Progress

The funded status of the plan as of July 1, 2013, the date of the last available actuarial valuation, was as follows:

	(A)	(B)	(A-B)	(A/B)	(C)	[(A-B)/C]
ACTUARIAL VALUATION DATE	ACTUARIAL VALUE OF ASSETS	ACTUARIAL ACCRUED LIABILITY (AAL) PROJECTED UNIT CREDIT	OVER (UNDER) FUNDED AAL	FUNDED AAL RATIO	COVERED PAYROLL	OVER (UNDER) FUNDED AAL AS A PERCENTAGE OF COVERED PAYROLL
<u>TOWN</u>						
July 1, 2013	\$ -	\$ 61,801,009	\$(61,801,009)	0.0%	N/A	N/A
<u>BOARD OF EDUCATION</u>						
July 1, 2013	\$ -	\$ 39,118,602	\$(39,118,602)	0.0%	N/A	N/A

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future, and actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future. The required schedules of funding progress ("RSI"), immediately following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time, relative to the actuarial accrued liability for benefits.

4. Actuarial Methods and Assumptions

Projections of benefits are based on the substantive plans (the plans as understood by the employer and plan members) and include the types of benefits in force at the valuation date and the pattern of sharing benefit costs between the employer and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

OTHER POST-EMPLOYMENT BENEFIT PLANS

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

JUNE 30, 2015

Changes of benefit terms

2013 - • Fire participant eligibility was increased from 20 to 25 years of service.
 • The duration of retiree medical benefits was changed from life for all retirees to age 65 with 20-24 years of service, age 75 with 25-29 years of service, and life with 30 or more years of service.
 • The portion of the cost paid by retirees for medical coverage was changed from 7% for one group and 0% for all others to 15% for all groups.

Changes of assumptions

2013 - • Mortality tables were updated to the RP2000 combined healthy tables projected using Scale AA to 2013 with a further projection by 2 years.
 • The ultimate healthcare rate of inflation was reduced from 9.5% to 8%.
 • Fire participant eligibility was increased from 20 to 25 years of service.
 • Per capita health costs were decreased.

Method and assumptions used in calculations of the actuarial determined contribution

The actuarial determined contribution rates in the schedules of employer contributions are calculated as of July 1, 2013. The previous years were calculated using the valuation that was 2 years prior to the fiscal year end.

The following actuarial methods and assumptions were used to determine contribution rates reported in that schedule:

Actuarial Cost Method

Projected Unit Credit

Amortization Method

Payments increasing at 4.0%

Remaining Amortization Period - Town

30 years (open)

Remaining Amortization Period - Board

12 years (closed)

Investment Rate of Return

4.5%

Healthcare Inflation rate - Initial

8.0%

Healthcare Inflation rate - Ultimate

5.0%

Supplemental Schedules

General Fund

The general fund is the principal fund of the Town and is used to account for all activities of the Town, except those required to be accounted for in another fund. The general fund accounts for the normal recurring activities of the Town (i.e., general government, public safety, public works, culture and recreation, health and welfare, development and conservation, benefits and insurance, education, etc.). These activities are funded principally by property taxes, user fees and grants from other governmental units.

1. Significant accounting policies

The accounting policies of the Town of East Haven, Connecticut, conform to accounting principles generally accepted in the United States of America promulgated by the Governmental Accounting Standards Board. The following is the significant policy relating to Federal awards:

Basis of presentation

The accompanying schedule of expenditures of Federal awards is presented on the modified accrual basis of accounting and a current financial resources measurement focus. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

2. Noncash Federal awards

The Town received and expended \$71,933 of USDA donated commodities under the National School Lunch Program.

Town of East Haven, Connecticut
Summary Schedule of Prior Year Audit Findings
Year Ended June 30, 2015

Financial Statement Finding

2008-1 Board of Education Bank Reconciliations

Condition

The bank reconciliations for the Board of Education bank accounts were not reconciled in a regular and timely manner during the year.

Current Status

Finding has not been adequately addressed and is repeated in the schedule of findings and questioned costs.

2014-001 Child Nutrition Cluster - CFDA #10.553/10.555

Condition

Verification of free and reduced price applications were not performed within the guidelines set by the grant.

Current Status

Finding has been adequately addressed and is not repeated in the schedule of findings and questioned costs.

2014-002 Highway Planning and Construction - CFDA #20.205

Condition

Verification and monitoring of vendor payrolls to ensure compliance with payment of prevailing wages was not performed by the Town.

Current Status

There were no grant expenditures that required compliance with payment of prevailing wages; therefore, this finding has not been repeated.

II - Financial Statement Findings

2008-001 Bank Reconciliations - General Fund

Condition

The bank reconciliations for the Board of Education accounts were not reconciled in a regular and timely manner during the year. Due to the bank reconciliations not being completed timely, other general ledger accounts were also not timely reconciled.

Criteria

Effective internal control over cash requires monthly reconciliations to be performed on a timely basis.

Questioned Costs

There were no questioned costs.

Context

The deficiency was identified during both the prior and current fiscal years and occurs throughout the year.

Effect

All transactions and activity were not recorded on a timely basis and, therefore, general ledger cash balances were not reconciled to the bank statement.

Cause

The cause is due to lack of adequate staffing.

Recommendation

We recommend that bank reconciliations be performed on a monthly basis within thirty days of month end and that balances are agreed and reconciled to the general ledger. In addition, other general ledger accounts such as interfunds and control accounts should be reconciled on a monthly basis.

Views of Responsible Officials and Planned Corrective Actions

As of August, 2015, the Business Office was fully staffed and bank reconciliations are very close to being done in a timely manner, along with the other general ledger reconciliations.

III - Federal Awards Findings and Questioned Costs

None.

Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

Board of Finance
Town of East Haven, Connecticut

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of East Haven, Connecticut, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements, and have issued our report thereon dated December 29, 2015.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Town's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified a certain deficiency in internal control that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and questioned costs to be a material weakness (Finding 2008-001).

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Town's Response to the Finding

The Town's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Town's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Hartford, Connecticut
December 29, 2015

Independent Auditor's Report on Compliance for Each
Major Federal Program; Report on Internal Control over
Compliance; and Report on the Schedule of Expenditures
of Federal Awards Required by OMB Circular A-133

Board of Finance
Town of East Haven, Connecticut

Report on Compliance for Each Major Federal Program

We have audited the Town of East Haven, Connecticut's compliance with the types of compliance requirements described in the OMB Circular A-133 *Compliance Supplement* that could have a direct and material effect on each of the Town's major Federal programs for the year ended June 30, 2015. The Town's major Federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its Federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Town's major Federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about the Town's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major Federal program. However, our audit does not provide a legal determination of the Town's compliance.

Opinion on Each Major Federal Program

In our opinion, the Town complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended June 30, 2015.

Report on Internal Control over Compliance

Management of the Town is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Town's internal control over compliance with the types of requirements that could have a direct and material effect on each major Federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major Federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report on the Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of East Haven, Connecticut, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements. We issued our report thereon dated December 29, 2015, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of Federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of Federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Town of East Haven, Connecticut

Note to Schedule of Expenditures of State Financial Assistance June 30, 2015

The accompanying schedule of expenditures of state financial assistance includes state grant activity of the Town of East Haven, Connecticut, under programs of the State of Connecticut for the fiscal year ended June 30, 2015. Various departments and agencies of the State of Connecticut have provided financial assistance through grants and other authorizations in accordance with the General Statutes of the State of Connecticut. These financial assistance programs fund several programs including general government, public safety, public works, culture and recreation, health and welfare, and education.

Summary of significant accounting policies

The accounting policies of the Town of East Haven, Connecticut, conform to accounting principles generally accepted in the United States of America as applicable to the Governmental Accounting Standards Board.

The information in the schedule of expenditures of state financial assistance is presented based upon regulations established by the State of Connecticut, Office of Policy and Management.

Basis of accounting

The expenditures reported on the schedule of expenditures of state financial assistance are reported on the modified accrual basis of accounting. In accordance with Section 4-236-22 of the Regulations to the State Single Audit Act, certain grants are not dependent on expenditure activity and, accordingly, are considered to be expended in the fiscal year of receipt. These grant program receipts are reflected in the expenditures column of the schedule of expenditures of state financial assistance.

Year Ended June 30, 2015

II - Financial Statement Findings

2008-001 Bank Reconciliations - General Fund

Condition

The bank reconciliations for the Board of Education accounts were not reconciled in a regular and timely manner during the year. Due to the bank reconciliations not being completed timely, other general ledger accounts were also not timely reconciled.

Criteria

Effective internal control over cash requires monthly reconciliations to be performed on a timely basis.

Questioned Costs

There were no questioned costs.

Context

The deficiency was identified during both the prior and current fiscal years and occurs throughout the year.

Effect

All transactions and activity were not recorded on a timely basis and, therefore, general ledger cash balances were not reconciled to the bank statement.

Cause

The cause is due to lack of adequate staffing.

Recommendation

We recommend that bank reconciliations be performed on a monthly basis within thirty days of month end and that balances are agreed and reconciled to the general ledger. In addition, other general ledger accounts such as interfunds and control accounts should be reconciled on a monthly basis.

Views of Responsible Officials and Planned Corrective Actions

As of August, 2015, the Business Office was fully staffed and bank reconciliations are very close to being done in a timely manner, along with the other general ledger reconciliations.

III - State Financial Assistance Findings and Questioned Costs

Finding - Department of Social Services: Medicaid 11000-DSS60000-16020

2015-001 Annual Cost Report

Condition

Amounts reported in the cost report were not prepared in accordance with the cost report instructions for reporting the Form ED001.

Criteria

The State requires the cost report to be prepared using the amounts from the Form ED001.

Questioned Costs

Not determinable.

Context

The amounts reported for the cost report (June 30, 2013) costs totaled \$11,716,346. This amount was \$5,869,011 higher than the costs reported in the Form ED001 lines 404 through 411.

Effect

Incorrect amounts reported in the cost report will lead to incorrect reimbursements amounts.

Cause

The amounts in the general ledger were used to prepare the cost report vs. the Form ED001 amounts.

The amounts reported for the incorrect salary amounts were clerical errors.

Recommendation

We recommend the cost reports be prepared in accordance with the instructions and that an employee other than the preparer review the application for accuracy before submitting it to the State.

Views of Responsible Officials and Planned Corrective Actions

We agree and will ensure that all future cost reports are prepared using the final Form ED001 Schedule 4 numbers as required.

Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

Board of Finance
Town of East Haven, Connecticut

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of East Haven, Connecticut, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements, and have issued our report thereon dated December 29, 2015.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Town's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified a certain deficiency in internal control that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and questioned costs to be a material weakness (Finding 2008-001).

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Town's Response to the Finding

The Town's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Town's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Hartford, Connecticut
December 29, 2015

Independent Auditor's Report on Compliance for Each Major
State Program; Report on Internal Control over Compliance;
and Report on the Schedule of Expenditures of State
Financial Assistance Required by the State Single Audit Act

Board of Finance
Town of East Haven, Connecticut

Report on Compliance for Each Major State Program

We have audited the Town of East Haven, Connecticut's compliance with the types of compliance requirements described in the Office of Policy and Management's *Compliance Supplement* that could have a direct and material effect on each of the Town's major state programs for the year ended June 30, 2015. The Town's major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Town's major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State Single Audit Act (C.G.S. Sections 4-230 to 4-236). Those standards and the State Single Audit Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about the Town's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state program. However, our audit does not provide a legal determination of the Town's compliance.

Basis for Qualified Opinion on the Medicaid Program

As described in the accompanying schedule of findings and questioned costs, the Town of East Haven, Connecticut, did not comply with requirements regarding Medicaid program allowable costs as described in Finding 2015-001. Compliance with such requirements is necessary, in our opinion, for the Town to comply with the requirements applicable to that program.

Qualified Opinion on the Medicaid Program

In our opinion, except for the noncompliance described in the Basis for Qualified Opinion paragraph, the Town complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its Medicaid Program for the year ended June 30, 2015.

Unmodified Opinion on Each of the Other Major State Programs

In our opinion, the Town complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its other major state programs identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs for the year ended June 30, 2015.

Report on Internal Control over Compliance

Management of the Town is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Town's internal control over compliance with the types of requirements that could have a direct and material effect on each major state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with the State Single Audit Act, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State Single Audit Act. Accordingly, this report is not suitable for any other purpose.

Report on the Schedule of Expenditures of State Financial Assistance Required by the State Single Audit Act

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of East Haven, Connecticut, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements. We have issued our report thereon dated December 29, 2015, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The accompanying schedule of expenditures of state financial assistance is presented for purposes of additional analysis as required by the State Single Audit Act and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of state financial assistance is fairly stated in all material respects in relation to the basic financial statements as a whole.

Corrective Action Plan

Findings 2008-001

The Board of Education hired a new Business Manager in April 2015 and have implemented procedures to ensure bank reconciliation are completed in a timely manner.

As of August 2015, the Business office is fully staffed and the bank reconciliations are very closed to being completed monthly in a timely manner as well as the related general ledger accounts.

The procedures will be fully implemented January 1, 2016 and will be monitored by the Business Manager.
