

# **EAST HAVEN ANIMAL SHELTER IS ASKING FOR YOUR HELP**

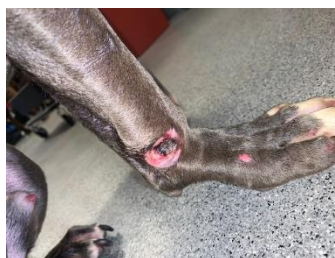

At approximately 1:00a.m. this morning one of our Animal Control Officers was dispatched to reports of a stray dog in the Sylvan Hills Road area in East Haven – upon arriving Officer Sean Godejohn found an emaciated female pit mix. Sean immediately brought her to our emergency veterinarian who put her on IV fluids due to her dehydration. She is extremely dehydrated and emaciated, and her body condition is extremely poor. She is in very bad shape and we hope she can be brought back to health. The vet estimates she is only 6-9 months old, and it appears she has been crated constantly because she has severe pressure sores on her body.

**WE ARE OFFERING A \$500 REWARD FOR ANY INFORMATION LEADING TO THE IDENTITY OF HER OWNER.**

**Please contact the East Haven Police Department at: (203) 468-3820**

No animal should suffer like she has – despite this, the staff at the Vet's office said she is sweet as can be. Please help us find the person responsible for this cruelty!

**Any questions, please call East Haven Animal Shelter at: (203) 468-3249**

Donations can always be made to East Haven's Animal Shelter, especially for this abandoned pup, at: 183 Commerce St, East Haven, CT 06512.
