**RE: MAYOR ASKING FOR VOLUNTEER DRIVERS TO RESUME SENIOR
MEDICAL APPOINTMENT TRANSPORTATION IN THE SPRING**

East Haven Mayor Joseph Maturo, Jr. is asking for volunteer drivers in order to resume transportation for seniors for the purpose of providing rides for their medical appointments. The target date for the resumption of this service is April 1st.

The conversion van, with wheelchair lift and handicapped access, is staffed by volunteers, with scheduling to be handled by the East Haven Senior Center. The amount of time the van can be on the road will depend on the number of drivers available. The van will be available for appointments both within the town and the surrounding communities.

Drivers of the van for this purpose will need to have a CT Motor Vehicle Driver's License with an **F endorsement** (Taxi, Livery, Service Bus, Motor Coach). Anyone with a current non-commercial driver's license may apply to the Department of Motor Vehicles for this proper endorsement.

Please contact Mayor Maturo's office at (203) 468-3204, if you are interested in volunteering for this very worthwhile community service.
