

FOR IMMEDIATE RELEASE

February 8, 2012

Statement from East Haven Mayor Joseph Maturo, Jr:

Since Chief Gallo resigned on Friday, I have reached out to many people to discuss the future of the East Haven Police Department, including the possible appointment of an interim Chief. I fully understand the desire of the public in general and our citizens in particular to have information, especially with regard to our Police Department. I expect to have more to share early next week and will not be commenting further until that time.
