### Description

With the Tremor's stylish new frame design and our custom "Fatso" rear wheel assembly you will look good in any terrain setting. Once again Colours 'N Motion has made some of life's simplest pleasures like going down to the ocean or traveling through the snow fully independent for wheelchair users. So go ahead! If you love to camp, go to the beach or be in the snow, the "Tremor" wheelchair will take you where you want to go.

With the "Tremor's" stylish new frame design and our custom "Fatso" rear wheel assembly you will look good in any all terrain setting of your choice. Once again Colours 'N Motion has made some of life's simplest pleasure like going down to the ocean or traveling through the snow fully independent for wheelchair users. So go ahead! If you love to camp, go to the beach or be in the snow, the "Tremor" wheelchair will take you where you want to go.
