Sue Stacey asked about the beach parking issue again and wanted to know if Councilperson Ken McKay had given the commission an answer yet. Chairwoman Adamczyk stated that now residents need to show their license at the entrance to the parking lot as well as have the beach sticker for the car. She asked about charging nonresidents to park there. The commission stated that if they did that, there would not be enough parking for residents and they would complain about that. Commissioner Tracey said the lots should be residents only and suggested there should be two shifts to make sure that the lot is staffed properly. It is difficult to answer questions with Director Pane in attendance at meetings. Mrs. Stacey stated it would be nice to have something set in stone. Chairwoman Adamczyk stated she would follow up with Councilman McKay and get some answers as to who how many attendants
