The aggregate principal amount of the bonds of each series to be issued, the annual installments of principal, redemption provisions, if any, the certifying, registrar and transfer agent and paying agent, the date, time of issue and sale and other terms, details, and particulars of such bonds including approval of the rate or rates of interest shall be determined by the Mayor and the Director of Finance in accordance with the General Statutes of the State of Connecticut, as amended.

If sold in a competitive offering, the bonds shall be sold at not less than par and accrued interest on the basis of the lowest true interest cost to the Town. If the bonds are sold by negotiation, the terms and conditions of the purchase agreement shall be approved by the Mayor and the Director of Finance.

The Director of Finance is authorized to make temporary borrowings in anticipation of the receipt of the proceeds of said bonds. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said bonds, shall be included as a cost of the project. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such notes then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

The balance of any appropriation not needed to meet the cost of any improvement included in Section 1, or the proceeds of any bonds not needed to meet the cost of any such improvement, may, on the recommendation of the Board of Finance, be transferred by resolution of the Town Council, to meet the additional cost of any other improvement included in Section 1 or the cost of any additional capital improvement.

The Town hereby expresses its official intent pursuant to §150-2 of the Federal Income Tax Regulations, Title 26 (the "Regulations"), to reimburse expenditures paid sixty days prior to and anytime after the date of passage of this ordinance in the maximum amount and for the projects defined in Section 1 with the proceeds of bonds, notes, or other obligations ("Bonds") authorized to be issued by the Town. The Bonds shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the project, or such later date the Regulations may authorize. The Town hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Director of Finance or his designee is authorized to pay project expenses in accordance herewith pending the issuance of reimbursement bonds.
