New Business

Old Business

The fencing is almost complete at Memorial Field as well as new netting to help stop the balls from going over the fence. Commissioner DeBenedet again asked about the backstops and if they were being replaced as well. We should find out more at the next meeting as there were some issues with the fencing and the dimensions. The lights at the Bocce Court were also discussed and apparently Town Hall hasn't given a definitive answer as of yet.

There being no other business to come before the commission, a **MOTION** to adjourn the meeting at 7:13 was made by Commissioner DeBenedet and seconded by Commissioner Simoni. All were in favor, none were opposed and none abstained. **MOTION CARRIED**

Respectfully Submitted,

Linda S. LaLuna
