Re: 1309 North High Street, East Haven

Dear Ms. Verderame:

On June 17, 2020, in my capacity as Inland Wetlands Enforcement Officer for the Town of East Haven, I observed violations to the Regulations for the Protection and Preservation of the Inland Wetlands and Watercourses of the Town of East Haven occurring on property owned by you at 1309 North Haven Street. These activities include:

1. Non-permitted removal of trees, vegetation, and soils within fifty (50) feet upland review area and
2. Grading and excavation within the upland review area.

The East Haven Inland Wetlands Commission has the authority and responsibility to regulate inland wetlands and watercourses in the Town of Est Haven under Sections 22a-36 through 22a-45a of the Connecticut General Statutes and under Sections 1.3 and 14 of the Regulations for the Protection and Preservation of the Inland Wetlands and Watercourses of the Town of East Haven, Connecticut.

Therefore, you are hereby **ordered to immediately Cease and Desist** all activities on the site.

To provide you with opportunity to be heard by the Commission and to show why this **CEASE AND DESIST ORDER** should not remain in effect, a Public Hearing has been scheduled before the Commission for **Wednesday, September 9, 2020 at 7:00 PM at the East Haven Senior**
