

Shoreline Maternal Infant Early Childhood Home Visiting (MIECHV) Program

Our mission is to support first time and non-first time parents facing the challenges of parenthood by providing free education, support, and connections to community resources.

The Shoreline MIECHV Program is a Parents as Teachers (PAT) accredited home visiting program working in collaboration with Nurturing Families Network.

Parents as Teachers[™]

How can we help?

- The Home Visiting Program is a free service for pregnant women in the towns of **East Haven** and **West Haven**.
- MIECHV's well-trained home visitors provide...
 - Weekly home visits
 - Pregnancy and parenting information
 - Developmental screenings
 - Father guidance
 - Monthly get-together's
 - Connections to resources in the community and access to baby supplies
- Services are offered mid-pregnancy (before 27th week) up to child's age 5.
- Children whose families enroll in this program are more prepared for kindergarten.

set up your first visit.**

Are you a first time mother or do you have children already?

Our trained staff understands.....

- Parenthood is exciting and stressful.
- Families can benefit from extra support, especially during pregnancy.
- Immediate needs such as housing, transportation and food need to be addressed.
- A positive and nurturing environment is important for your family and baby's health and development.
